

## LASSITER TROJAN FOOTBALL

2009 6-A-A-A-A-A CHAMPIONS

January 18, 2011

Dear Trojan Players and Parents,

Work and planning are underway for another great season of Trojan football in 2011. In order for our team to take the next step in building a dominant program, attendance and full participation in offseason and preseason events is extremely important on a regular basis. Football players that are involved in other Lassiter spring and winter sports are excused from events on this calendar during their season, with the exception of weight workouts. We will coordinate with those players individually to eliminate conflict on playing dates.

We will also treat summer workouts and practice the way we have the previous two years, with those players attending camps being excused from workouts on those days. We ask that family vacations be planned during our off week(s) or on weekends this summer to ensure that each player gets as much work as possible to help the team prepare for our challenging schedule, kicking off with the Corky Kell Classic versus Brookwood on August 20<sup>th</sup> in the Georgia Dome.

Below are a few of the most important dates and events that I want to emphasize to you. Please note that if the school calendar changes there may be some changes to our summer and preseason plans.

Please ensure that the school, staff, and TD Club all have the correct contact information for your family. I look forward to starting the work that will make 2011 a great success, and we need everyone to pull together and help out however they can. **Should you have any questions or concerns regarding anything related to our program, feel free to contact me at anytime.**
